

Endorsement Letters: CEO – Sample 1

Below is a sample endorsement letter to promote your campaign in the workplace. Be sure to put this on your company letterhead and personalize it whenever possible for greatest impact.

Dear (Name),

One of the most difficult things to do is to ask for help. Yet all of us at some time in our lives will desperately need help from those around us. Friends, doctors, hospitals, counselors . . . when we need help, it is a wonderful feeling to reach out and find open arms and hearts ready to lend the assistance we need.

We may go through life for years fortunate in avoiding hardship within our family - illness, accident, crisis or even death. Every day, others around us are dealing with these facts of life. Eventually, we all have to face difficult times.

Through United Way of Central Minnesota, your dollars will be leveraged effectively to address critical needs in education, income, health and basic needs. Their success depends upon the support you and I provide.

Please take a few moments during our United Way of Central Minnesota campaign to reflect on these thoughts and decide what you can do to help make our community able to meet our needs. Remember, underneath everything we are, underneath everything we do, we are all people, connected, interdependent, united. And when we reach out a hand to one, we influence the condition of all.

Thank you for caring.

Best Regards,

CEO Name

P.S. By supporting United Way you are helping to ensure a better life for all.
